The Ayala High School Band & Color Guard is one of the most successful performing arts programs in the State of California and has just completed another very successful year. Our Marching Band earned the award of Bands of America's Regional Champions in Los Angeles this past season. The Symphonic, Concert, and Jazz Ensembles have all received "Superior" ratings (highest possible) in their competitions this spring. Ayala also has two competitive Drum Line ensembles, both of which won awards in all of their competitions and our Concert Percussion team is the reigning WGI World Champions for the second consecutive year.

This fall, the Ayala Band & Color Guard took another big step onto the national stage by competing at Bands of America's National Championships in Indianapolis, Indiana. We had the honor to represent the State of California at the biggest and most prestigious marching band competition that is held in the United States.

The Ayala Band will be hosting the SCPA Indoor Drumline Competition on March 22, 2008. We would like the opportunity to discuss your donation of products and/or services for this event. Ayala High School Band and Color Guard is completely supported through community support and individual donations.

Band students represent the finest qualities we expect in our young people. They invest hundreds of hours of hard work and practice to prepare for their competitions. They continue to improve their musical talents throughout the year participating in concert and ensemble performances. Statistics show that young people who participate in band demonstrate higher academic achievement and develop stronger leadership skills than the general student population.

Your contributions are tax deductible to the extent allowed by law. Our non-profit Tax Identification number is 33-0449437 501(c)(3). We thank you for your consideration to support the Ayala High School Band and Color Guard and helping to make a difference in the lives of these outstanding students!

Best regards,

Deidre Hurst
